Thomas Gallagher our Grafton Shoppingworld Junior Sportsperson of the month for September!

Tyndale's Thomas Gallagher finished the 2022 Australian Kart Championship in the Class Tag 125 Seniors division third overall, including 1st in the NSW round at Newcastle and 2nd at Melbourne. Other highlights included 2nd at Queensland State Titles and 4th at Victoria State Titles.

Karting since he was seven, the 18-year-old has enjoyed his best season behind the wheel, after no official national championships the past two years due to the pandemic.

Finding venues to practice and compete has been a challenge since the Grafton Sporting Car Club ceased karting at Mountain View Motor Sport Complex, with the family often travelling to Coffs Harbour, Ipswich and Newcastle.

Once competitors turn 16 they are required to compete at Seniors level, making his achievements more incredible as some of his rivals were adults.

The Maclean High Year 12 student is about to sit for his HSC exams, and has been accepted into the Royal Australian Air Force in 2023.

Wow Thomas, this is a fantastic result! We look forward to hearing all about your future endeavors and achievements!

Works Update

We have had large cranes on site over the weekends lifting roof materials and removing solar panels from the Maths and Library block. A community information session is being held on Wednesday the 9th of November in the library. Please join us to have a look at the planned works that will take place over the next several months.

Year 6 into 7 Transition

We had our final transition day for Year 6 into 7 on Wednesday. Year 6 have enjoyed their days and it is great that they have had such a positive start to their MHS journey. We look forward to seeing them in a MHS uniform next year!

Showcasing MHS

Our Cattle Show Team has come away from both the Casino and Lismore shows with a suite of ribbons and highly contested awards. The success of the team is attributed to the dedication and work ethic of the students involved, Mr Kirkland, Miss Werry, Mr Berger, our small army of parent volunteers and the ongoing support of our community and local businesses.

I would like to share some of the wonderful feedback I have received about our students:

"The kids are building a reputation for being a standout on the show circuit. This is amazing considering it's only their first year, and on completion of the Lismore show, speaking with a group of the judges, they commented and commended the MHS show team on the high standard that the students presented their cattle, themselves, and the school, not only in the show ring but for the duration of the whole show."

It's great to see a local school within the Clarence Valley step up and offer the students such a strong agricultural program...." James & Kylie Shipman, Owners of Great Marlow Speckle Park

"These kids showed respect and their willingness to learn from industry leaders and cattle breeders who were in turn, happy to teach this great group. This also showed in their award for the Champion school team awarded to them by the Lismore Show Society over 13 other eager schools. These kids & their dedicated Ag teacher Mr Kirkland, took out a very prestigious award of becoming the first school in the history of the North Coast National to place second in the Open led steer competition at the show." Mr Goldie

World Teachers Day

Friday the 28th of October was World Teacher's Day and we had some delightful students who recognised the day and gave thanks to their teachers. It was lovely to see so many teachers acknowledged and appreciated for the work they do each and every day.

Staff Changes

I would like to announce that Mrs Leigh Kelly has been appointed permanently to Maclean High School as a School Administration Officer following a successful merit selection process. She will be joining our team in the front office. Congratulations Mrs Kelly.

Policy Changes

The NSW Department of Education has moved to a new suspension and discipline policy which is now called the 'Student Behaviour Policy'. Each week in the Newsletter we will provide some information outlining a key change or update.

Formal Caution

Under the new Student Behaviour Policy, a Warning of Suspension has been replaced by a Formal Caution to Suspend. A formal caution may be issued when a student is exhibiting a behaviour of concern. A formal caution tells a student that their behaviour caused or may cause harm or danger to themselves and other people. It is designed to let you and your child know that their behaviour needs to improve.

The purpose of the formal caution is to give your child time to understand the impact of their behaviour and agree on a support plan. The school will give you and your child the chance to meet to discuss the behaviour and to plan or review the supports your child needs.

The formal caution for a behaviour of concern is in place for up to 50 school days. During this time, your child may be suspended if behaviours of concern continue.

For more information, please access the suite of resources available on the NSW Department of Education website.

North Coast National - Lismore Show

Last week 29 students travelled to Lismore for the North Coast National Show. Results are as follows:

- Supreme Champion School Steer with “Toffee” a Steer Bred at Tarcoolah Limousine Stud
- Reserve Champion Open Steer Classic (first time a school has achieved this feat)
- 3rd Open Heavy Domestic - “Bambi” a Limousine cross Steer from Maybrook Pastoral

Our Stud Braford's performed awesome with:

- “Maria May” Bred by Glynelly Braford's receiving Reserve Senior Female Braford
- “Bonny” our Junior heifer 12 month bought from Little Valley Grazing Co received 3rd in a hot class she also received 5th in the interbreed 8 to 12 months,
- “Mystique” won her class 24 to 30 months.

We also had the pleasure to Fit and Show 3 Heifers for Great Marlow Park this Show Season.

Lismore Results included:

- 1st and 3rd- 16 to 20 months with “Lightning Lady” and “Unique”
- Junior Heifer Show 2nd 3rd and 4th.

What an opportunity for students to be entrusted with the chance to break in, prepare and lead these awesome cattle at shows. Thanks Great Marlow Speckle Park for the opportunity.

In the Junior Judging Grace and Aaron Carr competed in the Regional final with Grace taking 2nd in a very hot field of young judges. She is now off to Sydney Royal after making her way through the country show divisions Aaron placed 4th on the day with a top performance.

15 students also assisted M & M fitting and Hideaway Park Murray Grey Stud over the 3 days. Thanks Wendy, Matt and Mikayla.

To top the Show off Maclean High was named Champion School.

Currently there is a lovely story in the Land Magazine about the schools success at the North Coast National Show.

Students are now looking forward to the Northern Schools Steers Competition in Tamworth. They will take a swag of steers to compete against the best government and private schools in the North West New England area.

Well done team

Year 10 Engineering Studies

The Year 10 Engineering Studies class recently completed their wooden bridge project. There were different designs on show and the majority of the bridges successfully survived the 50kg of weights we hung off them. The class researched many forms of bridges before designing and building their bridges in pairs. The majority of the bridges built were of a truss bridge design which proved to be very strong when the large weights were placed on them.

Festival Spirit

Music students Kate and Ethan Moore, represented Maclean High School at the Grafton Jacaranda Festival this week. They both played in the Clarence Valley Conservatorium Orchestra with a fabulous Musical program.

Later that evening, Ethan performed with the Regional Youth Orchestra NSW, who are currently performing in Sydney and engaging in workshops with the Sydney Symphony Orchestra.

Maritime Immersion

Late last term we teamed up with the Education Pathways Program to offer our students an insight into Maritime career pathways. Engaging with our local community we were lucky enough to have Mick Read talk about his role as a Pilot Master, hear from TAFE NSW - Yamba about the current Maritime courses on offer and sit in on a presentation from Marine Rescue NSW. Did you know you can do a Certificate II in Maritime as part of your HSC? If you're keen let Miss Fisher in Careers know.

From School Sport to State Titles

Massive congratulations and good luck vibes being sent to our Ten Pin Bowling team who have scored a place in the NSW State Titles! Eric Parkes, Nigalla Carriage, Joeden Carriage and Correy Boon have been perfecting their skills at Bowlo Sports & Leisure Yamba and the training has paid off with a State Title qualification. Check out their recent interview with NBN News <https://www.nbnnews.com.au/2022/10/04/maclean-highschool-students-heading-to-state-ten-pin-bowling-competition/>

Industry Adventures

We live in the best community! In collaboration with the DET Education Pathways Program a group of our students with a keen interest in a career pathway in Tourism & Hospitality recently smashed out an industry immersion day.

Starting at Sanctus Brewing Co they learnt about the multifaceted employment opportunities in one of our biggest growing local tourist attractions (shout out to ex student Mitch, who's currently managing the bar and studying a Diploma in Hospitality Management). Next up it was Blue Dolphin Holiday Resort where ex student & current Manager Sophie, discussed employability skills and the opportunities on offer in their industry. After lunch it was a session from local legends Shane & Courtney from Surf Camp Down Under who provided a motivational presentation about communication, small business and having passion for your career. Next up it was off to TAFE NSW - Yamba to hear from Phil from Bowlo Sports & Leisure Yamba who hooked the group up with an insight into the career progressions which could be made locally working in hospitality. Melissa from TAFE Yamba rounded out the day with a tour of the awesome new facility and an insight into all the courses on offer.

Regional school bus network changes

Starting Monday 7 November 2022, there will be changes to the regional school bus network. These changes have been designed in conjunction with Transport for NSW for improved student safety on regional bus services.

Please consult your school's bus timetable for revised travel arrangements. New and modified services are highlighted in yellow.

Your school's upcoming bus timetable is on our website at www.busways.com.au/schoolbustimetables. Select the link next to your school's name "New timetable | 7 November 2022".

Parents and carers will also be provided with information letters.

We encourage them to plan their child's trip and track their school bus in real time using digital apps. Visit <https://transportnsw.info/news/2021/real-time-trip-updates-digital-timetables-for-parkes-forbes-grafton> for further information.

Yr 10 Agriculture Annual Pork Day

Yr 10 Agriculture will be conducting our Annual Pork Day Tuesday Week 5.

The day comprises a Bacon and Egg Breakfast and Pork and Gravy/Apple Sauce Rolls for Lunch.

ALL products including the Bacon, Pork and Eggs have been produced from the MHS School farm with the love of Ag students.

This has been a testing experience through 2 major floods one of which being the area's biggest ever. Students and staff have overcome these barriers to bring to you some beautiful Pork Products. The day will include Paddock to plate scenario where the students have taken Pigs from their birth on the farm in February right through to the plate and to you the customer.

Breakfast will start from 8am.

Lunch 12.55 to the end of lunch

\$4.50 Bacon and Egg Rolls

\$6 Pork and Gravy/Apple Sauce Rolls

Area outside the Cooking rooms.

Get in early as we ran out quickly last pork day.

Maclean High School

Information session

01 October 2022

Dear parents/carers,

The NSW Department of Education is coordinating an emergency response effort that is unprecedented in terms of scale and impact. A large number of schools located in the Northern Rivers have sustained damage to either part of the site or all of the site.

Maclean High School also experienced damage as a result of the flood event.

An information session for the Maclean High School community has been planned to provide information on the status of 'make safe' works undertaken to date, planned remediation and repair work, and engagement opportunities.

Maclean High School information session

Date: Wednesday 09 November 2022

Time: 3.00 pm–5.30 pm

Location: Maclean High School – Library.

We understand the importance of working closely with the school community throughout the lifecycle of the project. To ensure all members of the school community have access to information about the project, updates will be made available on the School Infrastructure NSW website: [schoolinfrastructure.nsw.gov.au](https://www.schoolinfrastructure.nsw.gov.au).
